Message from your President

My fellow students,

The Reduce All Fee's Party (R.A.F) has been dedicated to making student life at Kwantlen University College the best it could possibly be for the last nine months, and with your overwhelming support in our general election held January 18 and 19 we once again look forward to representing the students of Local #26 of the Canadian Federation of Students (C.F.S).

As your President I will be working hard in conjunction with the rest of the executives of the KSA to improve student life such as, student tax returns, monthly events, bring a pub on campus, renovating the Cafe and hopefully purchasing our own student owned and operated building.

I personally urge and challenge all students of the society to get involved with your student association whether it is coming to our bi-weekly council meetings, joining a committee, and the biggest thing, supporting student association thrown events. I look forward to catering to the needs of all students of the society and vow to do what I can to the best of my abilities. Have a great year!

Sincerely,

Danish Butt
